Brief History. Montgomery Bell Academy was founded in 1867 through a bequest of \$20,000 by ironmaster Montgomery Bell; its heritage can be traced back to 1785 through predecessor schools, Davidson Academy, Cumberland University, and the University of Nashville. MBA is an independent, nonsectarian, college preparatory day school for boys enrolling 190 in grades 7-8 and 455 students in grades 9-12. The school has been located at its present site since 1915 when the Board of Trustees purchased Totomoi, the estate of Garland Tinsley.

Faculty. Of 82 teachers, 72% hold advanced degrees, including 14 doctorates. The ratio of students to teachers is 8:1, and the class average size is 13.

Headmaster: Bradford Gioia

Athletic Director: Jeff Rutledge

Varsity Rifle Coaches: Leo Lujan* Henry Gaither

*Coach Lujan has served as the MBA Varsity Rifle Coach since retiring from the military as a Lieutenant Colonel in 1991. He serves in a volunteer status and is not full-time faculty. Mail to Coach Lujan should be sent to: PO Box 3207, Brentwood, TN 37024. His office phone/FAX is (615) 837-9705. E-mail: leorlujan@aol.com.

MBA Rifle Classic. The Classic was initiated in 1995 as 3 X 20 position air rifle tournament (20 shots each in prone, kneeling and standing) to provide a premier season opening competition for high school rifle teams. It has grown each year until it is now the largest high school sponsored shooting event in the U.S. A 40 shot standing match was added in 1998 for teams staying overnight in Nashville.

Target and Firing Distance. The scoring rings on the target are the same as those used in the Olympics. The highest value per shot (10 points) on each bullseye is achieved by hitting a dot half the size of a pinhead. The firing distance is 10 meters.

2003 Rifle Classic Participation: Competing in the position air rifle tournament, there were 308 individual athletes representing 51 high schools from 11 states. Competitors by class were: 94 sporter (pneumatic), 85 sporter (compressed air/CO2, and 123 precision air rifle. The sporter classes have equipment and clothing restrictions to keep the cost down while the precision class athletes use Olympic grade equipment.

The number of schools participating by state was:

AI	4	LA	2	SC	1
FL	2	MN	1	TN	18
GA	7	MO	2	TX	1
KY	11	OH	2

PRECISION AIR RIFLE FINALS

In a finals event, the top eight competitors in the three position match fire ten additional shots from the standing position to determine final standings. Each competitor starts with the score earned in the regular match. Competitors have 75 seconds to fire one shot, the shot is scored and the value announced. This is repeated until all ten shots have been fired. The results of the Precision Finals are:

SPORTER-COMPRESSED AIR/CO2 AIR RIFLE FINALS

In a finals event, the top eight competitors in the three position match fire ten additional shots from the standing position to determine final standings. Each competitor starts with the score earned in the regular match. Competitors have 75 seconds to fire one shot, the shot is scored and the value announced. This is repeated until all ten shots have been fired. The results of the Precision Finals are:

Winner (Gold Medal)

Steven A. Patterson (12) 542 + 88 = 630/700

SPORTER-PNEUMATIC AIR RIFLE FINALS

In the finals event, the top eight competitors in the three position match fire ten additional shots from the standing position to determine final standings. Each competitor starts with the score earned in the regular match. Competitors have 75 seconds to fire one shot, the shot is scored and the value announced. This is repeated until all ten shots have been fired. The results of the Precision Finals are:

Winner (Gold Medal)
